

## UNION PREPARATORY SCHOOL

Dear Grade 3 Parents

December 2022

In order for your child to start the year with all the necessary stationery requirements, we supply you with this list. These are essentials and all pupils **must have the items mentioned on this list on their first day of school.**

### PLEASE NOTE:

- Please ensure that each and every item is clearly labelled with your child's name.
- Please avoid "fancy" items for school such as pencils with decorations on the ends, chunky sharpeners and rubbers of all shapes and sizes! Rather keep this special stationery at home and bring the plain ones to school.
- We advise that children keep what remains of their previous year's stationery at home to use when doing homework, and start the school year with a fresh set.
- It is important that the children have complete sets of the various crayons required, because we often colour-code things to enhance concept formation and it is difficult to do so when some children are missing certain colours.

When it comes to pencil cases: keep it simple. Ideal is the 30cm one with 3 zipped compartments, available from the uniform shop. This fits all of the necessary items in an organised way and it is easier to store than having several separate pencil cases
