## LOST BOOK / READER POLICY.

Dear UPS parents

We need your co-operation regarding the preservation of our class reading and text books which go home for learners to practise reading. We have noticed that many children are unable to bring them back to school, because they have been misplaced at home.

This is a more serious problem than it seems, as such a book is part of a series, to be used by a number of children in a group. We have bought a reading series for approximately R360 000 and already some of those books are missing.

Unfortunately we cannot allow unnecessary wastage of school funds and resources and will have to recoup such losses at R200 per book. If this refund is not made voluntarily, we shall have to add it to other fees due to the school.

If a trend is noticed whereby a child loses more than one book in the course of a year, we shall not permit him or her to take further class readers home. Such a learner will only be permitted to use class readers at school.

**Will you please have a good look at home for any class readers or leesboekies and return them to school?**

We trust that we can depend on your co-operation in this regard.

Kind regards

Mr Hulleman  
Principal
